

UPGRADE TO CREDIT CARD

Make More with Credit Card

Add credit card to your existing machine.

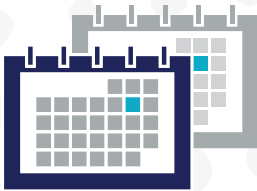

No need to purchase a new machine; we can work with what you already have and love! Add credit card capability to your existing machine with a transaction fee of just 12¢ and a monthly fee of \$10.

Own the air machine your customers will return to.

Credit card has increasingly become the main form of consumer purchase. Giving your machines credit card capability makes your services easy to use, and will help you gain more business.

Increase your revenue up to 35%.

Research shows that offering your customers a credit card option on your machine will increase your revenue up to 35%.

MONTHLY EFT DEPOSITS ON THE 9TH. EVERY MONTH.

We are bringing consistency to your earnings. Our ability to monitor and track transactions allows us to make EFT payments on the 9th of the month, every month. Plus reporting ensures you're paid correctly.

GET TOTAL DATA ACCESS.

When you choose to upgrade to credit card, you gain access to our forward-thinking web monitoring tools. Your monthly fee pays for cell, monitoring, and web portal access.

24/7 MONITORING AT YOUR FINGERTIPS.
