

## The best of both worlds - combining value, features, and performance

The **FORCE** is more than a powerful, secure ATM. It also presents you with more revenue opportunities and offers customers additional value with optional sidecars.

### ADDITIONAL VALUE

The powerful **FORCE** allows daily financial transactions, but also generates additional revenue streams by offering value-added services such as automated bill payment, stored value cards, and check cashing with the option of a sidecar.

---

### CAPACITY

The **FORCE**'s high capacity note storage is able to accommodate up to three removable cassettes (up to 6,000 notes), which makes managing your cash even easier.

---

### FLEXIBILITY

The **FORCE** is ADA compliant and has a small footprint, allowing for flexible installation options. Adding to the flexibility is the 12.1" color TFT LCD screen which has options available making it viewable in sunlight.

---

### RELIABILITY

Ease of maintenance and simplified service routines provide maximum availability and increased uptime with minimal operational intervention.
