

Your high-capacity, high-volume ATM solution with 24/7 access.

The **5300** delivers the powerful financial transaction support you need with a Windows CE platform base. This high-volume ATM solution features high-capacity note storage and 24/7 customer access.

INNOVATIVE DESIGN

This latest advancement in customer convenience features a user-friendly interface displayed on a vivid 15" screen.

HIGH CAPACITY

The **5300** accommodates up to four 2,000-note cassettes for a maximum storage of 8,000 notes. The dispenser profile can be adjusted to suit your specific needs, making this the ideal solution for high-volume transactions.

EXTRA SECURITY

Experience peace of mind knowing the **5300's** high-volume of notes can be protected with a Level 1 safe option. The unique design also allows you to add an optional camera for added security.

RELIABILITY

You can count on the **5300**. Its ease of maintenance and simplified service provide maximum availability and uptime with minimal operational intervention.
